# About BEYOND AttributesMGTBridge

## About this extension

BEYOND AttributesMGTBridge is an extension for Microsoft Dynamics 365 Business Central.
It was developed by:

## BEYONDIT GmbH

Schauenburgerstraße 116
24118 Kiel
Germany
moin@beyondit.gmbh
+49 431 3630 3700

The **BEYOND AttributesMGTBridge** application bridges the gap between **Beyond Attributes** and **Beyond ManufacturerGroupType**.
This bridge application allows to use attributes and additional information like manufacturer, group, type on service items.

The latest version of this documentation can be found at the following link: BEYOND AttributesMGTBridge Documentation.

> **❶ NOTE**
>
> **Dependencies on or to other apps**
> Additional, basic applications are required to use BEYOND AttributesMGTBridge. The following applications are required to use BEYOND AttributesMGTBridge:

- BEYOND Attributes: Extends Business Central with an area for additional item characteristics (attributes).
- BEYOND ManufacturerGroupType: Expands Busienss Central area with additional information such as manufacturer, group and type.
